

## **Glow Galaxy Summer Camp - \$125 – 4 days**

We have an exciting summer program filled with activities in arts, games, inflatable and sports challenges. It is a fully supervised program for children ages 5 and up, where kids can learn and have fun at the same time. Camp sessions will be run by current party staff and previous employees returning from college, so your children can expect the same level of enthusiasm and interaction you've come to expect at Glow Galaxy parties. Our goal is to provide a fun, stimulating, and interesting schedule for your child.

Camp sessions will run Monday through Thursday from 9:00 to 1:00 (check in begins at 8:45). We will begin each day with 15 minutes of stretching and exercise. Each day's schedule will include organized art/crafts/performance workshops, free play/play groups, and organized games to help your child develop physically, mentally and socially. One lunch is provided in the camp tution and the kids will pack a lunch for the other three days. The cost for camp is \$125 if registered by April 2, 2010 or \$135 after April 2. There is a \$10 discount for siblings signing up for the same session.

Camp themes and activities include: "It's a Small World" with games and songs from around the world; "Aspiring Party Pro" where we will teach kids to design and lead games and activities, balloon animal making, and other fun skills; "Super Science" where we will build air powered rockets and other science projects; and "Home on the Range" where we will experience a Cowboy's (or girl's) night around the campfire. We will also feature special instruction from our staff in performing arts such as drama and magic and sports as many of our employees are varsity athletes in high school or college.

Camp dates will be

June 7<sup>th</sup> -10<sup>th</sup>  
June 14<sup>th</sup> -17<sup>th</sup>  
June 28<sup>th</sup> - July 1<sup>st</sup>  
July 12<sup>th</sup> – 15<sup>th</sup>  
July 26<sup>th</sup> – 29<sup>th</sup>.

Please call 615-370-4231 for more information or to register.
